

PINEWOOD PRIMARY SCHOOL CHILD SAFE RISK ASSESSMENT

A key part of a risk management strategy is a risk assessment. Risk assessments can take many forms. An example is provided below. Risk assessment resources form part of the [School Policy & Advisory Guide: Risk Management Policy](#). An example is provided below to assist schools in their risk assessment.

In implementing this Risk Management Strategy it is essential to take into account the nature of each school environment, the activities conducted in that environment and the needs and safety of all children expected to be in that environment (including and especially Aboriginal and Torres Strait Islander children, children with disabilities, culturally and linguistically diverse children and vulnerable children)
