Dear Parents

WORKING TOGETHER... at PPS

Thank you to everyone in our school community for demonstrating incredible collaboration throughout the first eight weeks of term and for supporting the measures in place to curb the COVID-19 spread. Being back in our classrooms with extra health and safety measures has been a big transition for both students and teachers.

As we still uphold these changes, including required mask wearing for Years 3-6 students, and mask wearing for all adults indoors as per the DET guidelines, we are very grateful to our community members for their understanding, cooperation, and support, ensuring that we are working together to keep everyone safe and well, and remain learning onsite.

HARMONY WEEK
EVERYONE BELONGS • HARMONY.GOV.AU

This week, we have been celebrating Harmony Week/Day at Pinewood.

The message of Harmony Week is everyone belongs. It is about inclusiveness, respect and belonging for all Australians, regardless of cultural or linguistic background, united by a set of core Australian values. Throughout the week there have been activities in the classroom where students have had opportunities to share their heritage and learn about each other.

CELEBRATING OUR FRENCH LANGUAGE PROGRAM - as Part of Harmony Week

It was wonderful to hear students purchasing their delicious crepes in the language of French. The students really enjoyed eating the crepes too!

Bonjour, Monsieur! Bonjour, Madame!

S'il vous plaît une crêpe:

- au chocolat
- au citron et sucre
- au sirop d'érable
- au miel à la confiture

REMINDER...HARMONY DAY AT PPS TOMORROW FRIDAY 25TH MARCH

Students are asked to dress up on Friday 25th in a cultural costume or wear the colour 'Orange' as it is the colour chosen to celebrate Harmony Day signifying social communication and meaningful conversations.

Students will be attending a whole school virtual 'Harmony Day parade/assembly' and then have an opportunity to participate in a wonderful multicultural program in the morning session within their classroom.

SCHOOL PHOTOS - NEXT WEEK

The school photographer will be in attendance at the school on Tuesday 29th March.

Several weeks ago, students received an individual flyer to take home, in readiness for photo day. Please place photo orders online by using the Order number and your child's Internet ID number provided on the flyer.

RIDING TO SCHOOL SAFELY

Riding to school is a transport measure that works best for some families and is an enjoyable way for some students to travel to and from school. However, this has been overshadowed by reports of some students riding quite dangerously to and from school. If your child rides to school, we ask that you have a conversation about road safety and remind them that they need to be mindful of the general public when riding through dense pedestrian areas, ensure they cross busy roads at defined crossing zones and always wear a helmet when riding to and from school.

ROAD SAFETY

Please remember to use our school crossings, even if you have to walk a little out of your way. It sets a great example to our students and helps to keep everyone safe.

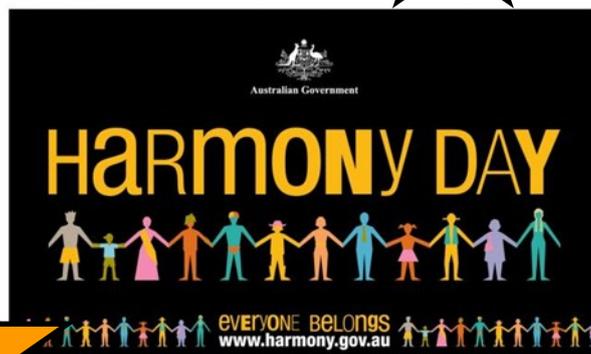

THE LIBRARY

It is great seeing our students listening to stories, browsing, and borrowing books again. Remember that students should have a library bag or satchel and always have their book ready to return so they can choose new books each week. Your child/teacher will let you know what day of the week they attend the library.

TERM 2 - CURRICULUM DAY

The Term 2 Curriculum Day will be held Tuesday 26th April. During that day, Staff will be updating their CPR, anaphylaxis and asthma certifications, as well as attending curriculum-based workshops. As Monday the 25th April is Anzac Day (a public holiday), Term 2 will officially commence at Pinewood PS on Wednesday 27th April.

Harmony Week 2022

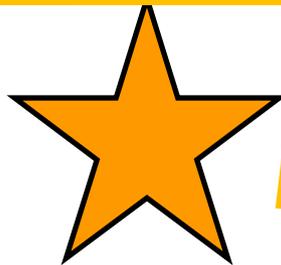

21-25 March

Yesterday the Grade ones travelled on Pinewood Airlines to Paris. The teachers were the flight attendants. Rayan our pilot gave us a tour of Paris. From the aeroplane we saw the Eiffel Tower, The Louvre Museum, Palace of Versailles and the Arc de Triomphe. Once we landed in Paris we went to the French café to have crepes for breakfast. The chocolate crepes were the most popular. After that we climbed the Eiffel Tower, it was exhausting. Finally we went to the airport to board our flight back to Melbourne.

It was the best day ever!

We all had a fun day!

Spotlight on Fabric and Clay

The Year 6 cohort have produced an amazing array of felt toys, demonstrating great proficiency in design and detail. The range of individual designs reflects their unique talents. Some students have commenced modelling clay dragons, using a tube of hand building clay as the basis of their design. In the meantime Year 4 have been working diligently to craft their superb pinch pots, again demonstrating a broad range of design and individual detail in the pattern work.

Physical Education News!

Throughout Week 8, the Prep's, Grade 1's and Grade 2's continued to develop their fundamental motor skills. The main focus activity this week was using the rebound net with a smaller ball, encouraging students to catch the ball using their hands only, and developing their hand strength as well as ball control. Grades 3-6 continued their progression with Athletics training, developing their baton changes in both Shuttle and Circular relay. All students are to be commended for their running efforts during these sessions, keep working hard!

Mr Walsh.

French News

Bonjour, Pinewood Primary School community. What a lovely week, listening to the children ordering their crêpes and being complimented for how well they spoke in French! The French café was the perfect place to have the crêpes. They were delicious and smelled amazing. Instead of a list of words, this week I thought to publish the words of the very first French song that the students from years 2-6 learnt and it is still their favourite song. Remember to encourage your children to revise the vocabulary from the previous weeks and... sing the below song for you.

Meilleurs vœux,
Madame Vinga

Bonjour, mes amis!

Bonjour, mes amis, bonjour!
Bonjour, mes amis, bonjour!
Bonjour, mes amis, bonjour!
Bonjour, mes amis, mes amis bonjour!

Comment ça va, mon ami?
Ça va bien merci, merci.
Ça va mal? Je ne veux pas ça!
Mais peut-être comme-ci, comme-ça.

Music News

Over the past few weeks, students across all grades have shown off their composition skills, writing rhythms and melodies and learning different ways we can notate these. We have been really impressed by the knowledge and skill level students have demonstrated across the school, and it is fantastic to know that we have such a musically talented community here at Pinewood!

Both Junior and Senior Choirs have been growing and showing off what they can do, and it has been fantastic to see those students who come along each week with a fantastic attitude and commitment to what they are trying to achieve. We are really looking forward to seeing what these groups can do once they have a few songs under their belts!

Announcements about the musical and the audition process will be made next week, so for those students who are eagerly awaiting their opportunity to audition, stay tuned for that information so you can start preparing. Mr. Koudounis and Mr. Taylor would both like to thank all the students at Pinewood for what has been a great start to a new year and a new school, and will no doubt be an exciting year as we prepare for the musical and other opportunities that lie ahead.

★ Old Melbourne Gaol ★

All the Year Sixes went to the Old Melbourne Gaol located in the city centre to see how the prisoners were once treated. We had so much fun in this historic and iconic building!

We got to recreate the one and only NED KELLY!

Whilst re-enacting this famous court trial, we learnt that no one could decide if the now famous icon was innocent or guilty.

Did you know that Ned didn't get a say at his own trial?

Along with this, we went to the men's jail and got the chance to enter an ACTUAL jail cell!

We learnt that as you go up (there are three levels) the rooms get bigger and bigger! And whilst the biggest rooms might be smaller than your laundry room, this was once the greatest luxury of jail.

Meanwhile on the ground floor, the cells were so small, that when we extended our arms to full extent, we could touch the cold walls with our hands.

Thankfully, we had a great time and we all came back to school without getting locked up. It truly was a once in a lifetime experience. We would like to thank the teachers and school for organizing this amazing excursion!
