- 12th Monash-Waverley Division Cricket Finals - Capital Reserve Glen Waverley
- 30th-1st November  
Year 3 Camp—Phillip Island Adventure

Dear Parents and Carers,

#### SCHOOL CELEBRATIONS

It's been a great couple of weeks at Pinewood PS with excursions, incursions, sporting events, Landcare Day, disco, Book Week celebration and the Art Show, and it's been wonderful seeing our community come together to see our students shine as they learn, grow, sing, dance and play. We're incredibly proud of our Pinewood PS community and the experiences we have been able to share! We thank the teachers and education support staff for all the time, effort and heart that goes into these events.

#### FATHER'S DAY BREAKY

**Many thanks** to our Parents Club for organising a Father's Day/Special Carers celebration this morning, inclusive of breaky packs, coffee/hot chocolate, and mini golf. It was wonderful to see so many students with their special person attending. We were very fortunate with the weather as well. A **huge thankyou** to the Parents Club members, particularly Vikki Triantafyllou and Joanna Forbes, for organising this event on behalf of the school community. It was a wonderful event and very well attended!

**ART SHOW - From Cave to Canvas**

It was wonderful to have so many students and their families visiting the Art Show over the last two days. I 'm sure you will agree that we have some very creative and talented students at the school. Congratulations to our students, the artwork produced by you all is truly awesome!

At Pinewood Primary School, we believe that fostering creativity is essential for the holistic development of our students. The Art Show serves as a platform for our young artists to gain confidence in their abilities, share their voices, and proudly display their creations. It's a moment for them to shine and feel a sense of accomplishment.

We are immensely proud of our students and the dedication they've shown in creating their art-work. Their passion and commitment remind us of the importance of nurturing creativity in education. We encourage you to take the time to appreciate the efforts behind each piece and celebrate the growth of our young artists.

A huge **thank you** and **congratulations** to Ms Francine Edwards and Mr Josh Barrett for your passion, enthusiasm, and exceptional teaching skills demonstrated in the field of 'Visual Arts' culminating in such a high calibre Art Show.

### OFF SITE- Emergency Management Plan Drill

During the last week of this term, the school will be conducting an offsite Evacuation Drill of all students and staff. The Evacuation Drill forms part of our Emergency Management Plan (EMP) and there is a requirement that the offsite evacuation drill occur annually. We will be sending a notice to all parents to inform you of the date and time that the EMP drill will occur via Compass.

### SOCIAL MEDIA PLATFORMS

#### **Stay informed about latest developments in social media platforms**

This week we'll point you in the direction of some reliable sources in relation to uncovering some common risks associated with the most popular social media platforms.

Most of us could identify the majority of the Social Media platforms included in the picture on the left, but what about the set on the right? The set on the right includes some very common apps being used by young people, including those in their final year/s of primary school. Being up to date with the latest social media platforms and apps is crucial in helping your child stay safe online.

For most of us, the speed at which new content and platforms are developed far exceeds our own uptake of such content - meaning that we are often on the back foot in comparison to our children. In order to be informed and hold supportive conversations with our children and students, we need to have an understanding of the material they, or their friends, might be engaging with. We also need to be able to pick up on clues as to what platforms they might be using and being informed about the associated vocabulary and slang terms.

#### **Be informed about the benefits, but also potential risks associated with various platforms and apps - this includes the basic ones!**

You'd be surprised by the potential risks associated with even the most prehistoric and simple platforms.

Apps or platforms that enable one or more of the following features, tend to result in a more risky environment.

1. **Anonymity:** "Anonymity doesn't always breed cruelty, but it often does. On anonymous sites, people feel that their comments are consequence-free and can end up hurting others. Also, though kids may feel safe enough to share sensitive or painful things they might not otherwise, they often don't get the necessary support or help and may get attacked. "
2. **"Temporary" or "Disintegrating" pictures and videos.** "Nothing shared between devices is truly temporary, even when an app builds its whole marketing around it. Compromising pictures and texts get kids in real trouble because they believe what they're sending is private and will disappear. Not only this, but the concept of temporary pictures/messages can often enable cruelty and cyberbullying behaviours."

3. **Secret chat rooms:** "Chat rooms can be invitation-only or drop-in. Both carry some risks because chat rooms allow for no-holds-barred conversations. Sometimes the chats are private for reasons like sexual content or hate speech. But sometimes kids create private groups to avoid the problems associated with public groups. Either way, chat rooms make it more difficult for parents to keep track of what their kids are doing online."
4. **Random video chat and Real-time video streaming:** "Any app that's inviting kids to "meet new friends" is facilitating chats with strangers in some way. In most cases this type of app likely has a lot of sexual content and adults trying to hook up."
5. **Location tracking and sharing:** "Wherever you go, there you are -- and your social media apps know it. Though you may only indicate a city or neighbourhood in a profile, allowing location identification often means that you're tracked within a city block, your posts can include your location, and anyone -- including strangers -- can see exactly where you are."
6. **Toxic culture:** "Some sites and apps attract trolls and other confrontational types who want a place to express extreme views in an in-your-face way. Kids can be drawn to this provocative communication style and see it as a place to belong, especially if they feel persecuted in other parts of their lives, but the interactions are often laced with bullying, sexism, hate speech, and other cruelties that can escalate quickly."
7. **Age-inappropriate content.** "Friends can share explicit stuff via messaging (for example, sexting), but the bigger concern is whether an app features a lot of user-generated content that isn't appropriate to your kid's age. Your child may not even need to follow users who are posting inappropriate content to come across it."

***The biggest concern is not that adults don't appreciate that these features can be dangerous, it is that they don't realise that many apps enable these features as part of their structure. A child might say something along the lines of, "oh it's just to play games on" ... but unless we actually check and consult an informed guide, we are often unaware of the duality of many platforms that our children use.***

For example, the following platforms all utilise one or more of these features: Instagram, Facebook Messenger, SnapChat, Tumblr, TikTok, Roblox, Discord, Wink, Twitch.

[Please note: Information in quotation marks, has come directly from [Common Sense Media](#)]

### **How do I choose age-appropriate content?**

Good-quality media can support your child's learning, as well as their social connections, especially if it ties in with their interests or sparks their imagination. The following sites can help you make informed decisions about your family's entertainment choices.

- Check age ratings and consumer advice for apps and games on devices your children use via the App Store or Google Play. Visit the Australian Classification Board's [online database](#) when reviewing movies and games.
- [Raising Children Network](#) has advice about choosing video games, online games and apps.
- [NetAware](#) (UK) offers a guide to popular social media apps, sites and games, including risks, age recommendations and safety tips.
- [Children and Media Australia](#) provides reviews of movies, apps and games, including gambling content advice, searchable by age and platform.
- [Commonsense Media](#) (US) offers a database of apps, games and websites searchable by age.

In addition:

**The Cybersafety Project's** blog has numerous articles, detailing new apps to watch out for, providing 'ultimate guides' for parents and how to set up parental controls on common apps.

- <https://cybersafetyproject.com.au/blog/>
- [Ultimate guide to Snapchat](#)
- [Ultimate guide to Instagram](#)
- [Ultimate guide to TikTok](#)

**Bark Technologies** is originally a US based firm that offers several products to help families stay safe online, these include a content monitoring app for parents and their very own mobile phone handset. The firm has now expanded its service to Australia. Whilst their website obviously draws attention to their phone product, it's also a valuable source of safety information for parents:

8. **Tech guides** (ie: setting up parental controls on different platforms) <https://www.bark.us/learn/resources/?show=tech-guide>
9. **App safety reviews:** <https://www.bark.us/learn/resources/?show=app-review>
10. **Guide to internet/social media slang terminology:** <https://www.bark.us/learn/resources/?show=slang-word>
11. Like many websites they also compile **lists of apps** that parents should be aware of: <https://www.bark.us/blog/dangerous-apps-kids/>

For parents who are interested in the idea of a Smart Phone that has inbuilt features and greater capacity for monitoring their child's online activity, then there is now an Australian product on the market: <https://cybersafetyproject.com.au/opel-kids-phone-the-safest-smartphone-for-kids/> the [Opel SmartKids Phone](#)

# FREE MUST-HAVE APP FOR PARENTS & CARERS

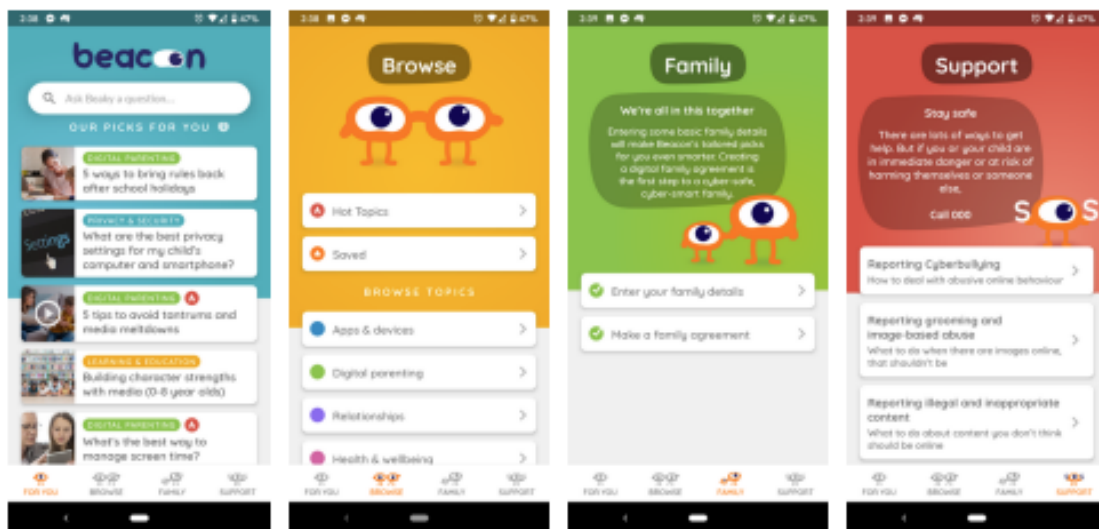

Parents & carers don't have the time to search the internet in order to find current, reliable and relevant sources of information when it comes to their kids online. Beacon is a free, Australian made app created to help take the hard work out of keeping up to date with all things online and digital when it comes to our young people.

Developed in conjunction with the eSafety Commissioner and Common Sense Media, parents can rest assured they're accessing quality, expert reviewed material as opposed to relying on your social media feed or news reports.

Features we think you'll love about this app include:

- no need to be tech savvy, it's super simple to navigate
- customised, suggested articles based on the age and interests of your kids

- browse and search by topics including apps & devices, digital parenting, health & wellbeing, privacy and more
- step by step guide to help you and your kids create a family tech agreement. Not a one size fits all approach but customisable based on each individual young person in your home
- direct links to report cyberbullying, grooming and other inappropriate online content
- notifications and alerts (not annoying over the top frequency!) when new, relevant content is made available

Inform & Empower is endorsed by the eSafety Commissioner as a Trusted sSafety Provider

# Polka Dot Pumpkins

Welcome back to another fabulous week in the art room!

This week is our art show! It is on Wednesday the 30<sup>th</sup> of August and Thursday the 31<sup>st</sup> – hopefully you all got the chance to pop into our school to admire some of the student’s wonderful art, hard work, and creativity. This week we have spent finalising all last-minute art show entries. Grade 2 have been speeding through their pumpkin work, painting, drawing, and modelling to develop these delightful pieces. This week we finally added the finishing details to ensure all pumpkins are ready for the art show to be displayed.

Seen below once again are Grade 2L, working incredibly hard to finish all their work in time for the art show!

Great work to all Pinewood students for another amazing week. We are so proud of all children for creating some fantastic work and love seeing it all on display!

Ms Francine & Mr Barrett,  
Visual Arts Teachers

## FRENCH SPOTLIGHT

### YEAR 4

Bonjour tout le monde,

In honour of book week 2023, this week we will be putting a spotlight on the Year 4s who have been delving into the book *'La chenille qui fait des trous'* otherwise known as 'The Very Hungry Caterpillar' by Eric Carle.

The students have had so much rich learning from this book. They have all learnt how to read the book in French which has developed confidence and allowed them to practice their sound, rhythm, and pitch of spoken French.

It has encouraged them to revise the days of the week and learn all about the verb *'Manger'* which means to eat. We have also been looking at the book to learn about different types of foods *'La nourriture'* as vocabulary.

Students have even made their very own *'La chenille'* to display in the French area. They have explored writing sentences using the sentence stems 'Je mange' or 'Je croque' to describe what they are eating and are creating a whole class picture story book with their pages.

A fun knew app called 'Gimkit' was introduced to the year 4s to practise and revise all that they have learnt from the book. Within the app we chose to play 'Fishtopia'. To win the game, students must answer questions related to *'La chenille'* to buy bait. Once they have enough bait they can go fishing and sell their fish for cash. Every time students needed to go fishing, they had to return to the questions and get them correct. We all had so much fun and students were super engaged in the game.

Mademoiselle Cowie & Madame Slade

Orders close  
**Thursday 31<sup>st</sup> August**

There are another 3 books on this issue that are only \$3

**\*\*We have a volunteer to take over as bookclub coordinator in 2024.**

**A BIG thank you to Joanna Forbes for taking on the roll for 2024 .**

**Thanks Fiona (Year 6 parent) \*\***

## STUDENT OF THE WEEK

- |             |   |
|-------------|---|
| PD Sophie   | For being a caring and conscientious learner in Prep D. You have settled into our classroom so confidently and I am proud of your efforts!  |
| PM Daniel   | For using the value of self-confidence to support his friends! Keep it up Daniel.   |
| PK Cici     | For the wonderful and detailed recount on our 'Book Week' activities.   |
| PK Boston   | For working extra hard in all of our numeracy sessions. Well done Boston!   |
| PR Freya    | For always trying your best and making sure everyone has their voice heard. Well done Freya!  |
| PJ Jasper   | For making such fantastic improvements in your writing. I can see you trying your best and I am so proud of you. Well done Jasper!  |
| PS Chloe    | For approaching each day with a smile, and a fantastic 'I Can Do It' attitude. Fantastic effort Chloe!  |
| 1B Maxine   | For your endless enthusiasm and desire to improve. I am always impressed by your ability to approach your learning with a growth mindset – asking yourself 'What more can I add to this?' I'm really proud of your effort and hard work Maxine! Keep it up superstar! |
| 1S Jade     | For your spectacular work in Ninja Maths. You have persisted with your Ninja Maths skills and have achieved so many goals so far. Well done Jade!   |
| 1CF Harvey  | For doing your best to engage and listen more attentively during mat time. Keep it up!  |
| 1H Kiyaan   | For his outstanding Makers & Creators presentation! You spoke confidently and I loved hearing about your Boomerang creation. Great work Kiyaan!   |
| 1H Aarna    | For her fantastic Makers & Creators presentation. You spoke confidently and presented your procedure about Luchi with a loud voice, expression and great eye contact. Well done Aarna!  |
| 1K Mia      | For the improvement you have made in your writing, and trying hard on improving your communication skills. Mia keep verbalising your feelings and emotions. Great effort Mia!   |
| 1D Steven   | For the way you focused on writing your recount about Book Week. Fabulous effort! Keep it up Steven!  |
| 1D Eleena   | For the excellent effort you put into making your diorama. Very creative Eleena!  |
| 1V Nimar    | For the amazing effort and creativity shown in making your diorama. Well done Nimar!  |
| 2LDaniel F  | For your concentration during each of our lessons. You consistently work hard to achieve your goals, well done Daniel!  |
| 2A Isabelle | For being a wonderful friend in the yard by including other students in her friendships and games.  |
| 2M Theo     | For the wonderful effort he is making to complete challenging Maths problems. Well done Theo!   |

## STUDENT OF THE WEEK

2F Kayley	For being a responsible member of the class. Thank you, Kayley!	
2B Leon	For the extra detail and wonderful writing in your story. Well done Leon.	
3S All of 3S	For showing wonderful manners towards the replacement teachers whilst their teacher was unwell. Great work displaying the Pinewood values so well!	
3T Phoebe	For an excellent oral presentation on scientist 'Mary Anning'. Your talk was well prepared, and you demonstrated a clear understanding of her scientific achievement. Great work Phoebe.	
3L Andrew	For a wonderful presentation on Alexander Fleming. You made a big effort to make eye contact with your audience. Fantastic job!	
3H Uly	For your magnificent oral presentation. You changed vocal tone to add emphasis and added wonderful facial gestures to keep us fully engaged. Excellent work!	
3P Hammodi	For the excellent effort he has been putting into all of his work. Hammodi, it is so good to see you strive to do your best work and be proud of yourself!	
3U Shannon	For his excellent oral presentation on Isaac Newton. Well done for speaking confidently and timing it perfectly!	
4F Risa	For consistently producing work to a very high standard and assisting other students in the classroom. Keep up the wonderful effort Risa.	
4H Sidhi	For maintaining excellent behaviour all term. Well done Sidhi!	
4J Aaditya	For working hard and being on task to catch up on all his work this week. Well done!	
4M Selena	For creating strong reasons to support her opinion during our persuasive writing unit. Keep up the great work!	
4T Logan	All year you have gone about your work with a sense of focus and maturity. Your behaviour is always outstanding and an example to others.	
5C Nila	For being an excellent role model in our class, by consistently displaying the school values of responsibility and respect.	
5M Aadya	For the wonderful effort you have been putting into your work recently. Keep up the great work, Aadya!	
5MT Tian-Yang	For the increased effort you have been putting into your writing. Keep up the great work!	
5D Aarav	For the effort he has been putting into his learning tasks this week. He has been actively asking for feedback and working to improve his work. Well done, Aarav!	
5T Miyuki	For showing great enthusiasm with her work and always trying her best.	
6H Janiru	For being self-driven and going the extra mile to actively participate in class and school activities while maintaining respectful behaviour towards others!	
6M Ambber	For consistently showcasing a remarkable attitude towards her learning and a strong commitment to producing exceptional work. It is great to see you always applying yourself to achieve great successes in the classroom!	

## STUDENT OF THE WEEK

6F Jayden For working hard to write a procedural text on how to make a healthy sandwich. Keep up the great work, Jayden!

6O Ronny You have demonstrated your ability to make good decisions and be an active member of our class. You continuously show loyalty and integrity to your friends. You are making a positive difference in 6O.

6T Aiden In yet another week chock-full of events, you still managed to complete all your work to your usual high standard. Not only that - you constantly challenge yourself even further.

MUSIC Ryo Prep S  
For always giving every activity your best shot, always doing the right thing, and your wonderful listening skills! Well done, Ryo!

Art Miss Francene, Mr Barrett and the students of Pinewood Primary School  
For showing the true values of Pinewood Primary School for the community art show. Your work was magnificent and truly reflected the efforts of teachers and students working together for engagement and purpose. Thank-you and well done!

Art All of 2L  
For working so hard on their clay pumpkin artwork, and for being so respectful, engaged and motivated to always do their best. Well done everyone!

FRENCH F-2 Dravin 1B  
For your enthusiasm in all French lessons. I am always so impressed with how you join in with our songs and games. Incroyable!

FRENCH 3-6 Abby and Jessica 6T  
For your incredible team effort creating your Minecraft house. I can't wait to get a guided tour in French to see all the different rooms in your house. Super!

PE F-2 Spencer 1B  
For demonstrating our gymnastics balances and partner mirroring with confidence! What a talented student!

PE 3-6 Adi 6M  
For showing focus, determination, and a great level of skill in Year 6 basketball last week. Well done!

STEM F-2 Anson 1CF  
What a fantastic build you did in STEM this week! You are such a great builder and can share your knowledge with your friends, well done Anson!

STEM 3-6 Zoha 6H  
It was great to see you continue your learning with the Sphero Bolts. You are building on your skills weekly and your persistence is an inspiration to your friends!

- 12th: NYDA Basketball Blue (size 5)

# Parents Club

## AFL Grand Final Dress Up Day Thursday 14th September

Join in the fun and dress up in your favourite football team colours & help raise much needed funds for kids with cancer. A gold coin donation would be greatly appreciated. Larger donations can be left at the school office.

Every year more than 950 children are diagnosed with cancer in Australia.

With treatment starting instantly they face, on average, more than 6 months away from their school and school friends.

This year, we are taking part in "Fight Cancer Foundation's Footy Colours Day" to help these kids!

All the money we raise from our Dress Up Day will help the "Fight Cancer Foundation" to provide accommodation and support for cancer patients and their families and fund vital life-saving research into cancer treatment and cures.

The accommodation centres offer families living with cancer a home away from home when they need it most, reducing the financial and emotional burden of a cancer diagnosis.

Please help make a difference to the lives of kids with cancer!

Fight Cancer™  
**FOOTY  
COLOURS  
DAY!**

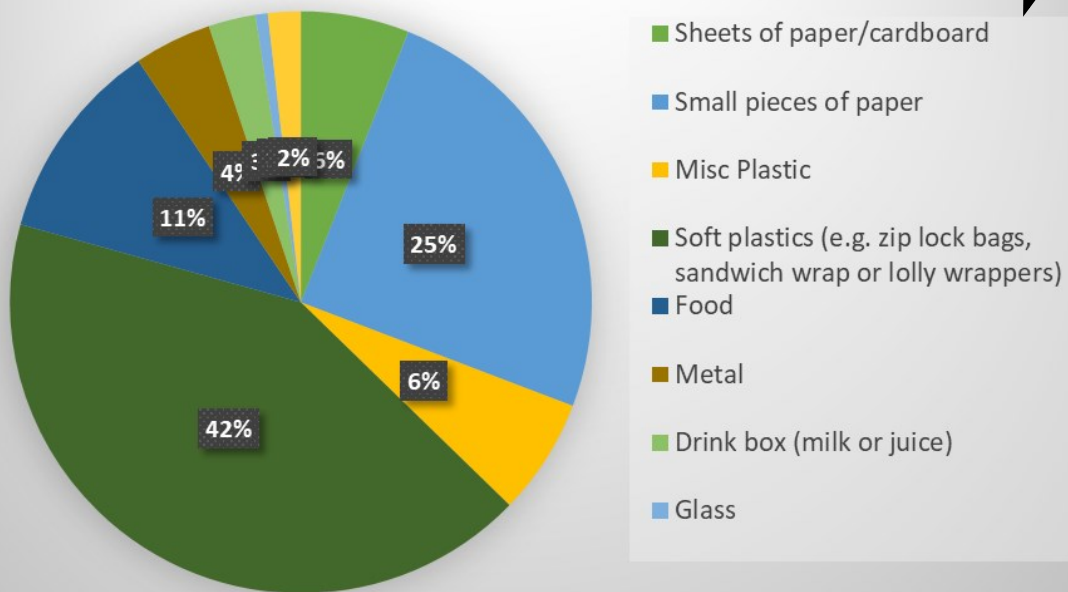

# Sustainability News

## Green Team Update

A few weeks ago, the Green Team conducted a litter audit in each area of the school grounds. While the areas looked tidy to begin with, students were surprised to find a total of 880 pieces of litter across the school. Further analysis of the student data showed us that **42% of litter was soft plastic wrappers**, 25% was small pieces of paper and 11% was food waste. We want to remind all community members to avoid taking rubbish outside.

Sustainability Tip: bring a nude food (rubbish free) lunchbox whenever possible.

### Pinewood PS Litter Audit 2023

# OSHClub News

## 'Friday House Competitions!'

House competitions in Week 7 were all about working together as a team and supporting each other! We had the students participating in a balloon walk race, hula hoop team races, catch and pass and balloon keeping up! In Week 7 we ended off with Dampier taking the win! Congratulations for the amazing team-work Dampier showed! Our overall winners we have are both **Dampier** and **Flinders** in a tie! We have 2 weeks left for the students to fight for their house, the winners will be announced, and the winning house will be able to choose what they would like for their end of term party!

Book in Friday Stay and Play for our **House Competitions!**

## 'Global Kids'

This week's country of celebration was The **Republic of Ireland!** We celebrated Ireland by tasting some Colcannon (Irish version of mashed potatoes)! The students practiced their skills at a caber toss, students in the prep room created their own leprechaun paper plate masks and we also got creative with designing our own treasure maps! Next week on Monday OSHClub will be celebrating the country of **ITALY!**

## HOLIDAY PROGRAM!

Holidays are fast approaching, if you haven't made any plans for holidays OSHClub has some amazing activities planned!

Bookings are open, we run our days from 7:15am to 6pm. You can drop off and pick up anytime in between these hours!

In our first week of holidays, we have an awesome excursion planned on Wednesday 20<sup>th</sup>, the students at OSHClub will be making a trip to Waverley Park to become an AFL superstar! We may even have a few special appearances from the **Hawthorn Club!**

If AFL is not something you or your children are interested in, in week 2 OSHClub is having a crazy creative incursion all about Lego! Tuesday the 26<sup>th</sup> is going to be jammed packed with everything Lego!

If Lego and AFL are not quite what you are interested in, we have loads more themed days planned for your children! Please come and see us If you have any questions!
