LEADERSHIP BADGE PRESENTATION

Congratulations to our Year 6 Student Leaders for 2024. It was wonderful to celebrate the presentation of leadership badges with parents, students, and staff. Many thanks to Mr Matt Fregon MP for attending the important presentation ceremony.

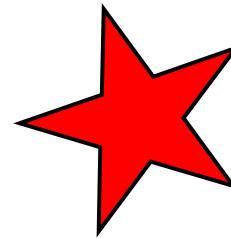

2024 PREP BAGS

The Department of Education has provided every Prep student attending a Victorian government school with a free bag of fun and engaging resources to celebrate this milestone in their education journey.

The initiative seeks to engage children and families in reading through quality literature to improve literacy outcomes. Research shows a direct link between the frequency of reading to children at a young age and future schooling outcomes, regardless of family background and environment.

The 2024 Prep Bags include the following books:

- *Ellie's Dragon* by Bob Graham
- *The Sloth Who Came to Stay* by Margaret Wild
- *Saving Seal* by Diane Jackson Hill
- *When the Waterhole Dries Up* by Kaye Baille
- *Our Dreaming* by Kirli Saunders

The books were selected by an expert panel of teachers, librarians and literacy experts based on the quality of the characters, illustrations, and use of language to help families engage their children with reading and literature.

Thank you to Mr Matt Fregon for coming along on Monday to give out the Red Bags to our Prep students.

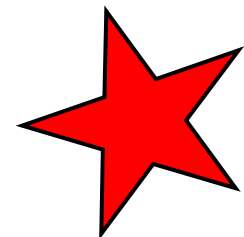

TWILIGHT COMMUNITY EVENING - CELEBRATING HARMONY DAY THURSDAY 21ST MARCH 5.30-7.00PM

Come along and join in the PPS community 'get together' on Thursday 21st March from 5.30-7.00pm.

Our community evening this year will focus on building a sense of community, fun and promoting a school connectedness.

There will be lots of fun family activities to participate in at the school, including:

- a sausage sizzle, manned by PPS staff
- various outdoor fun activities supervised by the staff of Proactivity
- an opportunity to meet and chat with other parents and staff

SCHOOL CONTRIBUTIONS

School Contributions Our office is open to receive school contributions which are needed every year to ensure the provision of a high quality of education, supported by resources and a wide range of programs and activities. These can also be paid via Compass.

PUBLIC HOLIDAY - MONDAY 11TH MARCH

The school will be closed next Monday, 11th March, as it is a Public Holiday.

Pinewood Tennis Team

Pinewood Tennis Team

On Tuesday the 5th of March, the Pinewood Tennis Team competed at the Waverley Central District tennis competition hosted at PLC. In hot conditions, students showed off their skills and sportsmanship. A big congratulations to all students involved. A special mention must go to Samuel Z who placed 1st in the boys draw and will progress to Division

HARMONY DAY

Celebrating cultural diversity at Pinewood PS

Pinewood PS staff and students will celebrate the importance of embracing cultural diversity when we participate in

Harmony Day on Thursday 21st March.

We invite all students to wear clothing from their culture or wear orange clothing.

Why orange?

Traditionally, orange signifies social communication and meaningful conversations. It also relates to the freedom of ideas and the encouragement of mutual respect.

What will happen in classrooms?

Students will engage in some Harmony Day activities in the class. We encourage you to share some things about your culture with your child prior, eg: how to say 'hello' in your language, cultural foods, celebrations, and traditions.

A Kaleidoscope of Kangaroos

The Year Five students used a range of indigenous symbols to create a colourful backdrop for these amazing kangaroo images. Poster paints were used to generate strong colours on the kangaroos which were embellished with intricate and repeated line patterns and designs.

Images central to indigenous culture have been explored in the art program this term; in keeping with the Indigenous language and cultural program introduced to the school by Pallyan, son of indigenous elder Murrundindi.

In many Aboriginal cultures kangaroos are a creator spirit in their dreamtime stories. They often feature in ceremonies and indigenous artwork. Congratulations to all the artists featured this week.

Year 6 Melbourne Aquarium Excursion

On Tuesday 5th March, the Year Six students went to the city's Sea Life Aquarium because of our Integrated unit, which is about adaptations in harsh environments. One interesting animal adaptation was that dolphins, whales and platypi use echolocation, where they go by using sounds to help them navigate. We chose this because we thought it was interesting to know that they use sounds, instead of their eyesight. It helps them to get around in the dark. The highlight of the day was seeing a colony of penguins (especially the baby chick) and seeing them swim at superspeed. They looked so funny. Some other highlights of the day were seeing Dave (the Loggerhead turtle), stingrays and sharks. They put on a wonderful show for us.

By Eve & Wardah(6F)

Most aquariums are dull and boring, but the Melbourne Aquarium was amazing! We saw a variety of sea creatures, ranging from clownfish to penguins. Apart from that, we also watched a fantastic 4D short film and had loads of fun in the park where we had lunch. Overall, it was an enjoyable experience.

ALERT: GET READY FOR THE BEST SCHOOL DAY EVER!

Hi Pinewood families,

We've got some exciting news to share - we are holding our Annual School Colour Fun Run! The *School Colour Run BIG SHOW* is all about FUN! There will be huge inflatables, and you will get to meet Chase the Cheetah! This will be one of the most exciting days on our school's calendar, with everyone participating. Parents will be most welcome to attend and cheer their children on.

We're reaching out to all our amazing families to join forces and make this a success. All it takes is:

1. creating an online profile and
2. sharing your link with family and friends.

Please mark your calendars - we will be holding our *BIG SHOW COLOUR RUN* on *Wednesday, 20th March!*

What is the School Fun Run?

Our School Fun Run is a special day where we promote wellbeing and a sense of accomplishment within the school community. Whilst the students can set up their own profile online, there is no obligation to fundraise. However, any money raised is put back into equipment and resources for the children.

For those that do fundraise you get to pick your target prizes and work your way towards that goal. And here's the cool part – your profile comes with a unique cyber-safe link to share with your nearest and dearest, encouraging them to contribute towards reaching your target.

What do we need you to do?

All we need you to do this week is create an online profile at funrun.com.au. The class with the most profiles by the 28th February will all get a Superdooper!

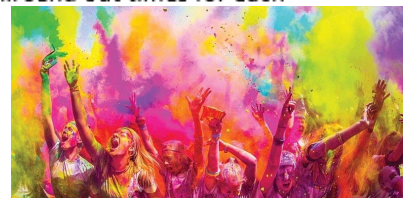

After the FUN RUN students who have fundraised can order their prizes – ALL PRIZES MUST BE ORDERED ONLINE
Please contact your school's coordinator if this isn't possible.

Prizes **MUST** be ordered between the **20th March** and **28th March**. Simply visit funrun.com.au to create/log into your Profile Page between these dates. Then click on the 'CLAIM YOUR PRIZE' button and follow the prompts. If you have any questions, please contact the *School Fun Run* team on 1800 FUN RUN and they will gladly assist!

We can't wait to have a great time and see which teachers we will slime this year. This is an inclusive fundraiser and we would love you to be a part of it! If you would like to come down and watch your kids run, we would love to see you there! I will send out times for each year level closer to the day.

Thank-you all in advance,

Sandra McGregor on behalf of the Student Representative Council
